MIDDLEBROOK PTA MEMBERSHIP
(www.middlebrookpta.com)

August, 2008

Dear Parents/Guardians:

Attached is the 2008 - 2009 PTA Membership form. Joining the PTA is a great way to get involved in your child's education. Please remember PTA membership gives you a voice and a vote on what happens at our school, along with many other benefits. Although we greatly encourage you to get involved, it is NOT a requirement for PTA membership.

For your convenience, the Middlebrook PTA will once again be publishing a Student Directory, as well as, developing and maintaining the E-Mail Notification System.

The School Directory is to be used for parental communications and information only. Inclusion in this directory is strictly on a voluntary basis. The cost of the directory is included in your PTA Membership dues. In order to be mindful of the privacy of others, the directory will only be distributed to those who are listed in it. All information provided to us would be kept confidential.

The E-Mail Notification System was established two years ago in order to enhance communications. It's been used at other local schools and has proven to be successful. An E-Mail blast is sent out to all registered parents approximately every two weeks updating them of the latest school happenings. It was designed to keep everyone updated on upcoming school and PTA events, important school and district announcements, community events and school emergencies.

If you have questions, please contact Vinnie Long @ warden24@sbcglobal.net or 452-1125

Thank you,

Vinnie Long
